APTREX Institute CEO, David Stumpo said, "SamTrans has been forward thinking when it comes to workforce development. We are proud for each of the staff members that achieved their certifications. Congratulations to everyone!"

The APTREX Institute was developed in 1993 as an "arms-length" organization for the implementation of professional transit certification testing for supervisory and management personnel.

Certification means a knowledgeable, dedicated, focused and committed workforce. This sets the standard for our industry to achieve excellence.

The elements of transit certification were built upon a standard from years of research and development within our industry. These results focus on positive development for our workforce and improvement for our customers.
